## EXODUS SERIES - X094 Cohearix Horn Portable Loudspeaker

Engineered for clarity, power, and portability, the X094 Exodus Series loudspeaker delivers exceptional full-range performance in a compact, stand-mountable design. At its core is the X094 Cohearix **Horn**, a high-efficiency waveguide providing precise 90° horizontal × 40° vertical coverage, ensuring consistent sound distribution and maximum intelligibility across any listening environment. Designed to excel in demanding portable applications. Whether deployed for live events, corporate presentations, houses of worship, or mobile production rigs, it offers the output and clarity professionals rely on.

### KEY FEATURES

- ▶ Patent-Pending horn design
- ▶ 4 x 8" Neodymium LF / 3 x 1" Neodymium HF
- ▶ High power handling, high sensitivity and output
- ▶ 18mm Birch-ply cabinet with polyurea coating
- ▶ Tool-less multi-adapter for stand and truss mounting

### PRELIMINARY SPECIFICATIONS
